## THE WAY I'M FEELING TONIGHT

(Paul Carrack / Graham Gouldman).

EMI Music Publishing Ltd. / EMI Music Publishing Ltd.

I admit it, this time I was wrong  
Anybody can make a mistake  
I overdid it and I can't complain  
If someone's taken my place  
It ain't the first time, it won't be the last  
That I find my life in disarray  
No use regretting, it's all in the past  
So tell me what can I say?  
Is there any point going on about it  
When you know that I can do nothing right?  
I don't know that talking it over will change  
The way I'm feeling tonight  
I used to wake up, jump out of my bed  
With a great big smile on my face  
I was the business, no one could deny  
Now I've fallen from grace  
I just need a chance to forget about it  
Do you really care who was wrong or right?  
I don't know that talking it over will change  
The way I'm feeling tonight  
So if you want your freedom, I won't stand in your way  
Cos I've got my pride, and I won't beg you to stay  
Maybe one day I will write a book about it  
I'll put everything down in black and white  
I don't know that talking it over will change  
The way I'm feeling tonight

## TIME TO LET GO

(Paul Carrack). EMI Music Publishing Ltd.

Say nothing, I will understand  
I'm on your side, I'm your biggest fan  
You don't need to tell me any precious lies  
Cos I won't believe them when I look in your eyes  
Every kiss from your lips sends a message  
Every touch of your hand tells me so  
In my heart I'm already missing you  
Darling I know, it's time to let go  
I'm trying to convince myself  
When I tell you I will just find somebody else  
Cos I know inside me it will only be  
Because I realise you'd truly do the same for me  
Every kiss from your lips sends a message  
Every touch of your hand tells me so  
In my heart I'm already missing you  
Darling I know, it's time to let go  
Maybe I just need to get used to it and I'll be fine  
Cos I think I recognise  
One by one those telltale signs  
Don't worry, you could never hide anything from me  
I know you're crying deep inside  
Every kiss from your lips sends a message  
Every touch of your hand tells me so  
In my heart I'm already missing you  
Darling I know it's time to let go  
Every kiss from your lips sends a message  
Every touch of your hand tells me so  
In my heart I'm already missing you  
Darling I know it's time to let go

## BEAUTIFUL WORLD

(Paul Carrack / T Bone Wolk).

Plangent Visions Music Ltd. / Say See Bone Music.

Beautiful world, you taught me to remember  
All of the feelings I lost along the way  
I was afraid, alone in my confusion  
Running and hiding 'stead of living from day to day  
When we were walking, we touched the summer flowers  
And I saw the wonder, oh in a young child's eye  
Well I looked around and saw how truly grateful  
That I should be for all the love I've found  
Beautiful world, well you shook me to my senses  
And opened my eyes to the love inside of me  
It's up to me, if I can always believe  
In the way I see it now,  
What a beautiful world it would always be

## PERFECT LOVE

(Paul Carrack). EMI Music Publishing Ltd.

There's a light that shines  
On everyone tonight  
But it seems we're just too blind to see  
There's a love that's so deep  
We should never want  
But do we really know what we need?  
I never thought there could be  
Someone who'd mean so much to me  
In my mind there was  
No such thing as perfect love  
But now I'm holding you tonight  
And I can see that you are right  
To believe there can be perfect love  
You can live your whole life trying to avoid being hurt  
Like you've been hurt before  
Then one day you may wake up  
And feel a love so strong  
That you can't hold it back any more  
I never thought that there could be  
Someone who'd mean so much to me  
In my mind there was  
No such thing as perfect love  
But now I'm holding you so tight  
And I can see that you were right  
To believe there could be perfect love  
Ever since you called my name  
Nothing's ever been the same  
I want to give my heart to you  
And your perfect love so true  
Oh your perfect love  
But now you're here with me tonight  
And I can see that you were right  
To believe there can be perfect love

## YOU GIVE ME SOMETHING

(Paul Carrack). EMI Music Publishing Ltd.

You give me something I can depend upon  
Just like the sun after the rain has gone  
We're living in unusual times  
The pictures changing every day  
It's hard to know which way to turn  
There's a minefield whichever way  
I see people running everywhere now  
All gettin' nowhere fast  
I'm so glad I have something to believe in  
Our love is built to last  
You give me something I can depend upon  
Just like the sun after the rain has gone  
So many times you've saved my life  
I don't count 'em any more  
But I remember every one  
And I'm just glad you're not keeping score  
I feel like I'm guided by an angel  
And I know just what it's worth  
I never wonder if the grass is any greener  
My heaven's here on earth  
You give me something I can depend upon  
Something so deep I know I know I can't go wrong  
I don't need to worry  
You're everything I need  
And I know my satisfaction's guaranteed  
You give me something I can depend upon  
You're like the sun after the rain has gone  
You give me something I can depend upon  
Something so deep I know where I belong

## SATISFIED

(Paul Carrack / Toby Chapman).

EMI Music Publishing Ltd. / Copyright Control

I'm still crazy for you, everything that you do  
Just wanna keep you satisfied  
Every trick in the book, girl, by hook or by crook  
Gonna keep you satisfied  
You've become an addiction, somehow I can't resist  
Let me make a prediction, now I know what I've missed  
In my heart there's a whole lot of lovin'  
A feeling I can't deny  
I can't ignore if I wanted, so baby why should I try?  
I'm still crazy for you, everything that you do  
Just wanna keep you satisfied  
Every trick in the book, girl, by hook or by crook  
Gonna keep you satisfied  
Well my heart still pounds like a hammer  
Every time I get close to you  
And my pulse starts to race  
At the thought of your embrace  
And my mind blows naturally  
Don't think I take you for granted  
That's something I'd never do  
Whatever you need to be happy  
Just ask and I'll give it to you  
I'm still crazy for you, everything that you do  
Just wanna keep you satisfied  
Every trick in the book, girl, by hook or by crook  
Gonna keep you satisfied

## CLOSE TO ME

(Paul Carrack). EMI Music Publishing Ltd.

Is it just me or does it seem so different tonight?  
Here with you now I feel that everything is right  
Come to me now

There's no reason to hesitate  
Cos I don't know, I don't know  
How much longer I can wait  
Close to me

Darling I want to feel your heart beating next to mine  
Close to me

Cos deep inside I know that you're the one I've wanted  
All this time

Is it just me or can you feel a magic in the air?  
I close my eyes and I can feel it everywhere  
Come next to me, hear the words that I want to say  
Well I don't know, I don't know  
How you make me feel this way  
Close to me

Darling I want to feel your heart beating next to mine  
Close to me

Cos deep inside I know that you're the one I've wanted  
All this time

Come next to me, hear the words that I want to say  
Well I don't know, I don't know  
How you make me feel this way  
Close to me

Darling I want to feel your heart beating next to mine  
Close to me

Cos deep inside I know that you're the one I've wanted  
All this time

## IT GOES WITHOUT SAYING

(Paul Carrack / Chuck Cannon / Maia Sharp). Bugle Songs Ltd. /  
Wacissa River Music, Inc. admin by CMI (BMI)/ IRS Music, Inc. /  
Little Sharpster Music

All you ever give me is it goes without saying  
You leave it unspoken, the message is loud and clear  
Here in the silence where it goes without saying  
Well it goes without saying  
I'm feeling like a fool for hanging on  
And if it goes without saying much longer I'm gone  
You take it for granted, as if I can read your mind  
I'm left with a question that never gets answered  
You give me something I can depend upon  
Something so deep I know where I belong  
I don't want this feeling of wondering where I stand  
I won't even ask you if you're gonna tell me  
It goes without saying  
How am I supposed to know what's going on?  
If it goes without saying much longer I'm gone  
Why should I cry, why lie to myself any longer?  
If it goes without saying  
I'm feeling like a fool for hanging on  
When it goes without saying  
Baby there's no way to know what's going on  
If it goes without saying much longer,  
I don't know how I can say it any stronger?  
If it goes without saying much longer, I'm gone

## IF YOU'D EVER NEEDED SOMEONE

(Paul Carrack / Toby Chapman).  
EMI Music Publishing Ltd. / Copyright Control

Stop right there and listen  
Before you say something you might regret  
I know something's missing  
But I can't begin to accept what you said  
Maybe you can show me  
Exactly where I'm going wrong  
Cos lately I've been thinking  
Maybe I've been around here too long  
If you'd ever needed someone in your life  
Maybe then you'd know  
Why my heart just wants you to stay  
But my head tells me "let her go"  
If you'd ever needed someone  
One way or another  
Whatever I do it seems you criticise  
Is there any wonder  
The hurt that I feel is so thinly disguised?  
I can't help but notice  
Little things that tell me so much  
Is it only a matter of time  
Before I'm missing your tender touch?  
If you'd ever needed someone in your life  
Maybe then you'd know  
Why my heart just wants you to stay  
But my head tells "let her go"  
If you'd ever needed someone  
If you'd put yourself in my place  
You could never say "what's gone is gone"  
If you'd ever needed someone

## SOME KINDA LOVE

(Paul Carrack / Greg Wells / Mark Hudson / Armand Sabal-Lecco). Bugle Songs Ltd. / IRS Music Inc. / Greg Wells Music (BMI) / MCA Music Publishing (ASCAP) / IRS Music Inc. / N.Koloh-ZEH Music (BMI)

Baby you push me a little too hard  
Sometimes you pin me down  
Catch me off my guard  
And when I get outta line  
It feels like you squeeze my mind  
Baby you twist my words  
Like only you know how  
My heart can't find a rhythm  
It's missing every other beat  
Gimme some kinda love baby  
Make it like it used to be  
Gimme some kinda love baby  
I need you right next to me  
Sometimes I pushed you  
A little too much  
Sometimes I crossed that line  
And I made you blush  
I got a pain I can't nullify  
Cos you stop me every single time  
We've got to move  
Before it becomes too late  
You're testing my emotions  
Tell me what is there to prove?  
Gimme some kinda love baby  
Make it like it used to be  
Gimme some kinda love baby  
I ain't so hard to please
