*"I've gotta good feelin' about it and I'm ready to go,
Feelin' so strong I wanna shout it, to everybody I know..."*

GOOD FEELIN' ABOUT IT

*"We grew up together, played in the trees,
her tomboy direction would fascinate me..."*

MARMALADE MOON

*"Sometimes I look back, wondering how we've come so far,
When I know all the long, dark times, made us as strong as we are..."*

NOTHING WITHOUT YOU

A man with a goatee, wearing a textured hat and a dark jacket, stands in a dimly lit room. He is looking slightly to the right. The background features a brick wall and a doorway. The lighting is warm and dramatic, creating strong shadows and highlights.

*"I can hear Ray Charles, drifting down the stairwell
And I'm almost home..."*

I CAN HEAR RAY

*"I look across the country of my childhood
Remembering the pleasures of a time, long ago..."*

LONG AGO

A man wearing a white fedora and a blue button-down shirt is playing a red and yellow electric guitar. He is leaning over a black piano keyboard. The scene is dimly lit, with the guitar and piano keys highlighted by a light source. The background is dark.

*“When we lie, pieces of our soul we lose
We end up feeling more confused,
who’s the one to blame...”*

MAKE IT RIGHT

*"Now everyone dreams of love lasting and true
But you and I know what this world can do..."*

IF I SHOULD FALL BEHIND

A man with a goatee, wearing a light-colored fedora and a denim shirt, is playing an acoustic guitar. He is looking off to the side with a slight smile. The lighting is dramatic, with strong highlights on his face and the guitar, and deep shadows elsewhere. The background is dark.

*“From now on I am gonna be, turning over a brand new leaf
It may be tough but I’m gonna be strong, from now on...”*

FROM NOW ON

*“Some talk of love that can last forever
Others may smile and they say that love only leads to pain
But I try my best to keep right on believing
And I’ve fallen for it time and again...”*

I DON'T WANNA LOSE YOUR LOVE

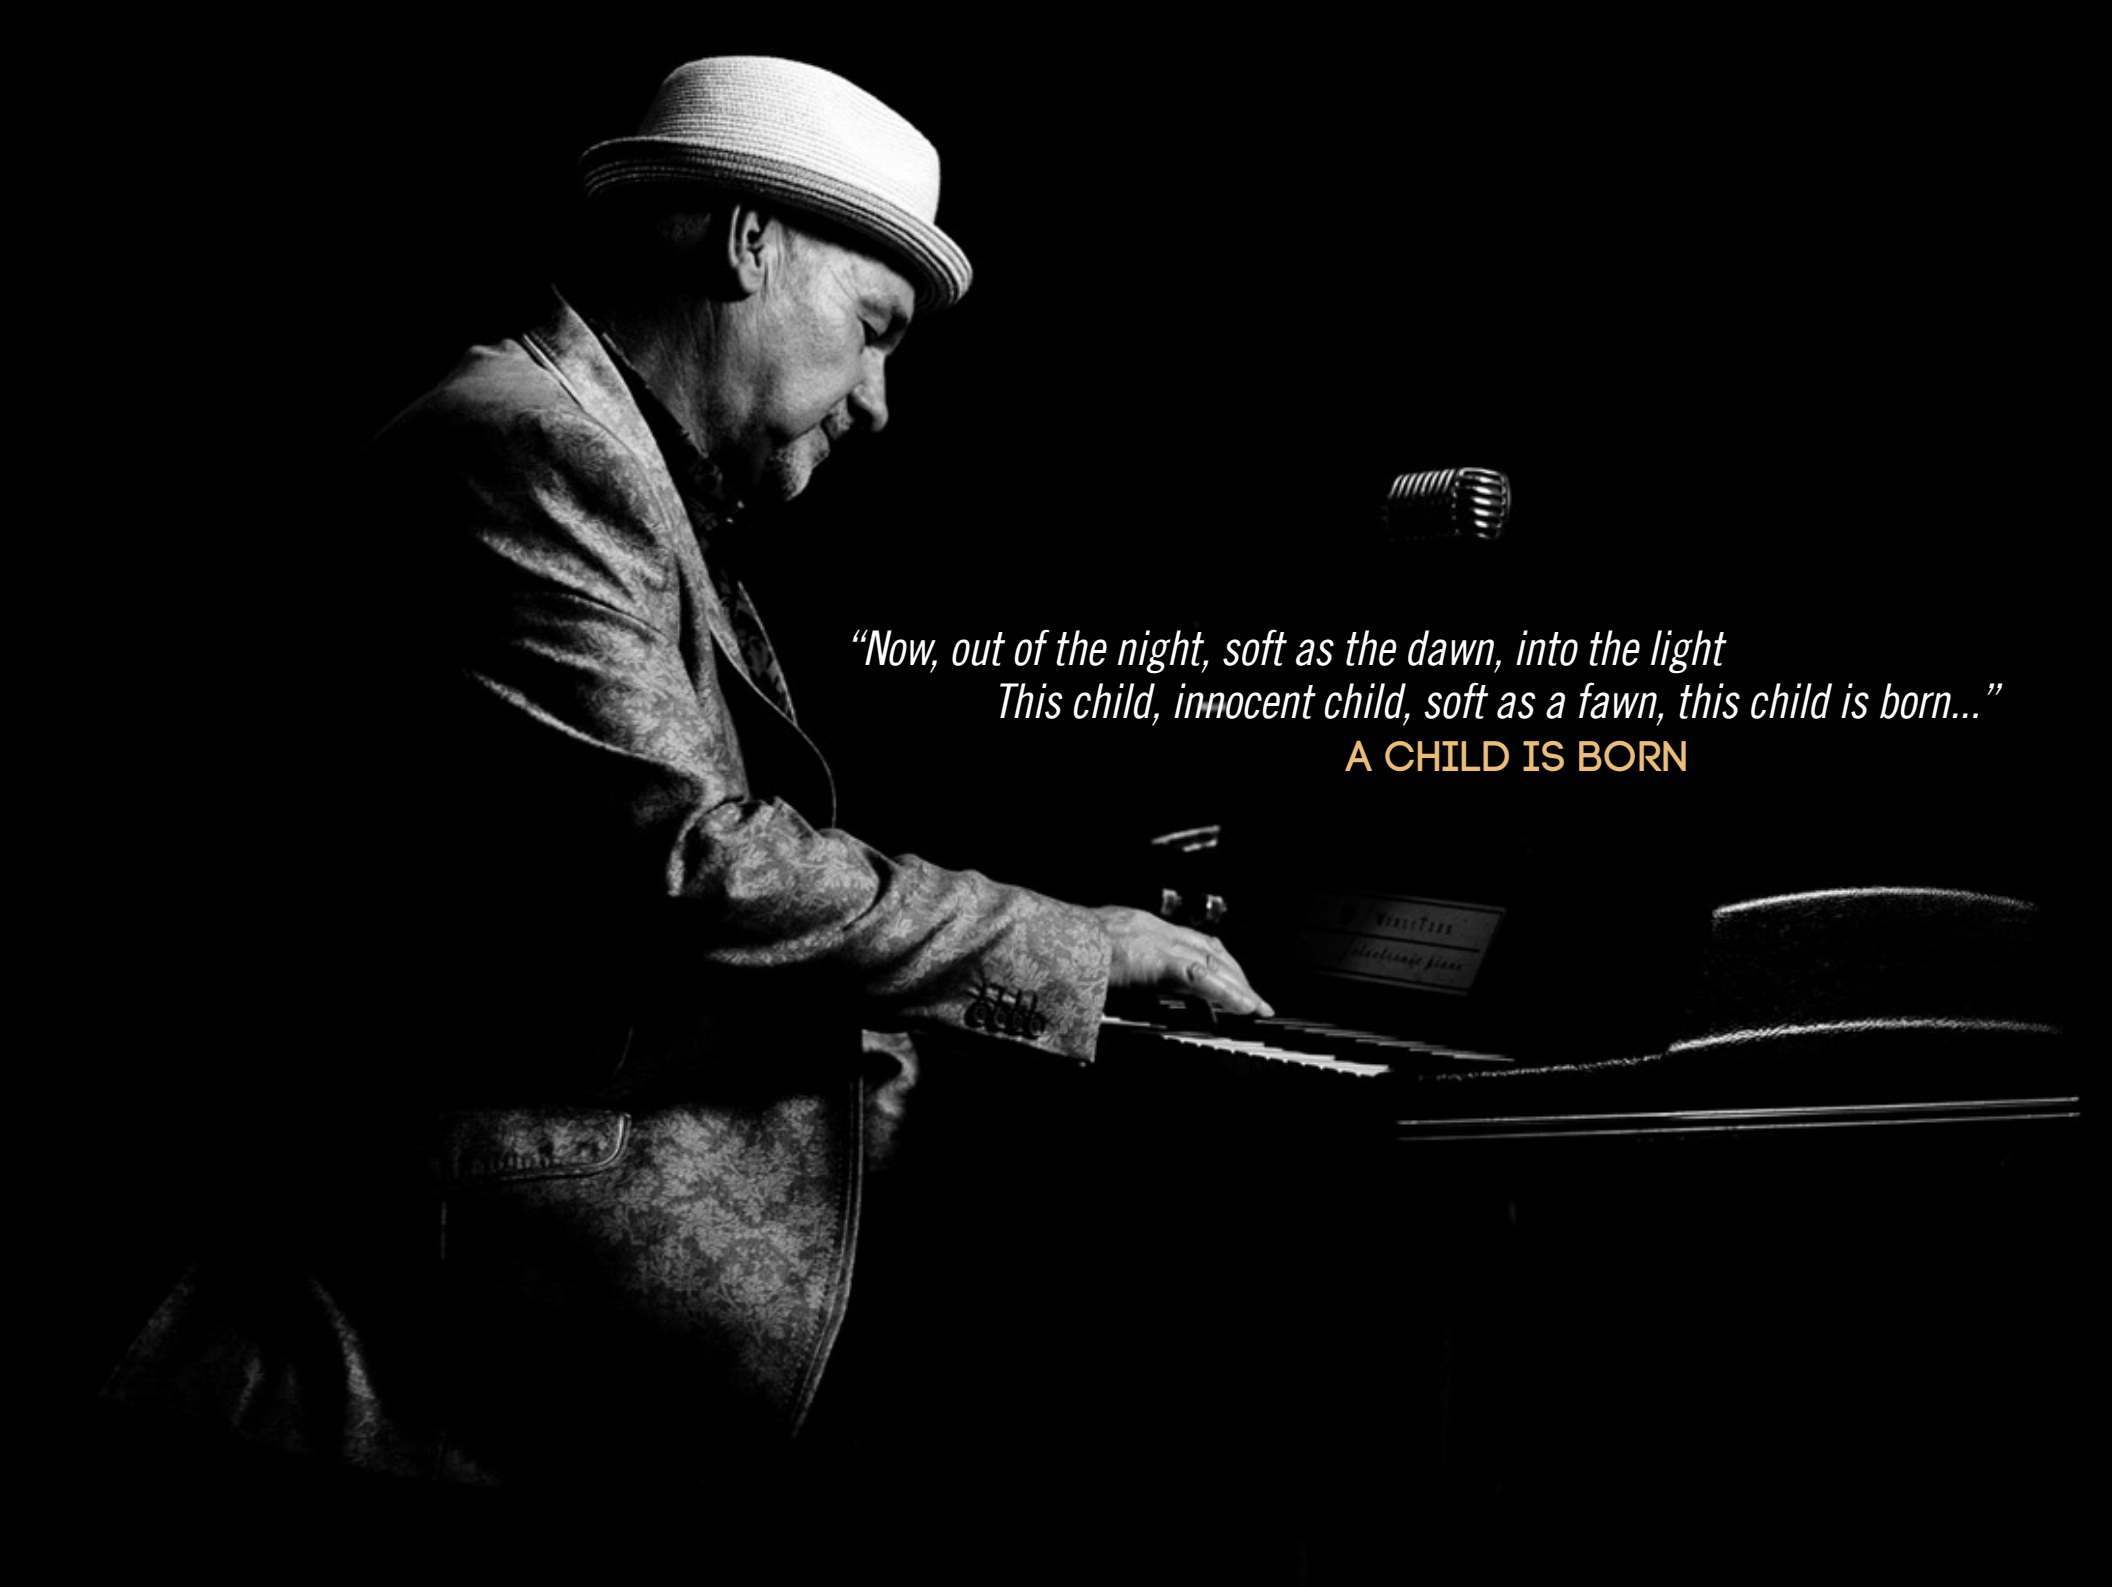

*"It's time to move on, forget the past,
You said our love would never die, now it seems you've changed your mind..."*

TIME TO MOVE ON

*“When my little girl is smiling, I can’t stay mad at her for long,
Why should I want to cry, when I can hold her tight,
I just don’t care who’s right or wrong...”*

WHEN MY LITTLE GIRL IS SMILING

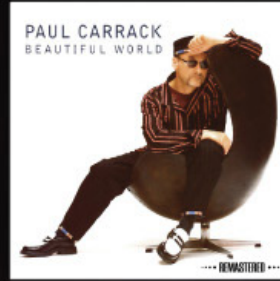

*"Now, out of the night, soft as the dawn, into the light
This child, innocent child, soft as a fawn, this child is born..."*

A CHILD IS BORN
