Ain't no love in the heart of the city
Ain't no love in the heart of town
Ain't no love, sho-nuff a pity
Ain't no love since you ain't around

You were mine, I was feeling so good
Your love lit up the whole neighbourhood
Now that you're gone, the sun don't shine
From the city hall to the county line
That's why there...

Ain't no love in the heart of the city
Ain't no love in the heart of town
Ain't no love, ain't it a pity
Ain't no love since you ain't around

Everywhere I go it seems so strange
Without you there, things have changed
The nights are cold, there's a blanket of gloom
Another teardrop falls in my lonely room

That's why...

I DON'T WANT TO HEAR ANY MORE

Written by Paul Carrack. Published by Carracksongs (ASCAP) administered by Sony ATV Tunes

It's not the first time that I've had the sense
That something's wrong
I'm old enough to know that things
Don't always work out like you planned
I know you're trying hard to break it gently to me now
But there's no easy way to tell it like it is
So baby

I don't want to hear any more
You don't need to tell me it's over
I've been here before

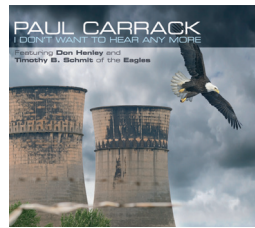

I've seen that look before
I know it well, it comes as no surprise
You've been avoiding me but now you want to talk it over
Before you take my hand and kill me softly with your kindness
There's no need to explain, I've read the book
I know how this all ends

I don't want to hear any more...

I won't ask you to stay
I won't stand in your way
Look me right in the eye
Let me walk away with my head high

If there's some other guy
I don't need to know why

I don't want to hear any more...

Saxes **Steve Beighton**

Trumpet **Ed Collins**

IT AIN'T EASY (TO LOVE SOMEBODY)

Written by Paul Carrack. Copyright Control

I've been lookin' around at familiar faces
Trying to see the funny side
Every night I've been going to places
But all I really wanna do is hide

She left me too long to my own devices
The grass was greener on the other side
If I left here tomorrow who's going to blame me?
Pretty soon she's gonna realise

It ain't easy to love somebody
In the back of your mind you may wonder why
It ain't easy to love somebody
When they don't seem to care if you live or die

I thought I'd done right
To make a confession
And straight to your face I apologise
Now I know, I oughtta known better
It should have come to me as no surprise

It ain't easy to love somebody
And you better believe there's a price to pay
It ain't easy to love somebody
But it's so much harder just to walk away

Mixed by **Richard Woodcraft** at RAK Studios, London
Saxes **Steve Beighton**
Trumpet **Ed Collins**
Backing vocals **Lindsay Dracass**
All other instruments **Paul Carrack**

NO DOUBT ABOUT IT

Written by Paul Carrack. Copyright Control

Used to be superstitious
Lookin' out for a hidden sign
Always crossing my fingers
But I was wasting my time
I was searching for something
But I'm not lookin' any more
Because you took some persuading
But it was worth waiting for

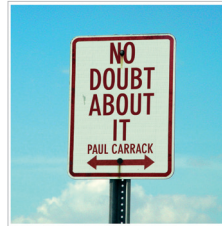

There's no doubt about it
You're the best thing that's happened to me
No doubt about it
I'm right where I wanna be

I can always remember
The first thing you said to me
'Always follow your feelings, be true to what you believe'
Love don't come easy
Finally it's come to me
I'm so glad I've plenty of
All the love I need

There's no doubt about it

Used to be under pressure
With so much on my worried mind
I was tied in a tangle
That I could never unwind
You brought me something
Something I will never forget
Life just keeps getting better
You ain't seen nothing yet

There's no doubt about it

I DON'T WANT YOUR LOVE (I NEED YOUR LOVE)

Written by Paul Carrack. Copyright Control

As the shadows fall and the evening fades
There's an empty space where you should be
As I toss and turn I still realise
I don't want your love, I need your love

Told myself that it can't be right
I should walk away and live my life
Though I know it's wrong I still carry on
I don't want your love, I need your love

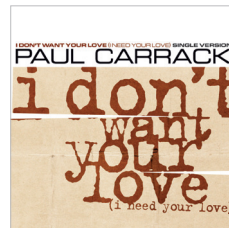

I know there's been a lot of talk 'bout what's goin' on
There's no way I can prove they're all wrong

Oh can't you see this was meant to be
I don't want your love, I need your love
Can't you understand I'm your only man
I don't want your love, I need your love

I know there's been some changes going down
There's no way I can turn the situation round

I know there's been a lot of talk 'bout what's goin' on
There's no way I can prove they're all wrong

Oh can't you see this was meant to be
I don't want your love, I need your love
Can't you understand I'm your only man
I don't want your love, I need your love

STAY AWAKE (I'M COMING HOME)

Written by Paul Carrack & Chris Difford. Copyright Control / Chris Difford Publishing

Stay awake for me baby
I can't take it no more
I've been in trouble
But I don't know what that's for
I kept on running
Like a desperate man
I'm heading home
Because you say I can
Stay awake I'm coming home

Stay awake for me baby
I'm heading back to you
I've been so lonely
I've been under the darkest moon
Like a dog with two tails
Down between his legs
I'm coming back home
I've been on the rails
Stay awake for me baby I love you

Give me one more day
This time I'm sure
That my heart's on fire
And I won't leave you no more

Stay wake for me baby
I'm ringing on your bell
I know I'm in trouble
I've been under this spell
It keeps me cold at night
I was getting the sweats
Being back with you
Will be blood to my head
Stay wake for me baby
I'm coming home

JUST 4 TONITE

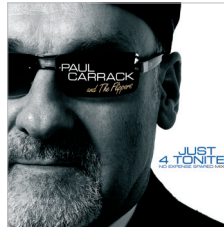

Written by Paul Carrack. Copyright Control

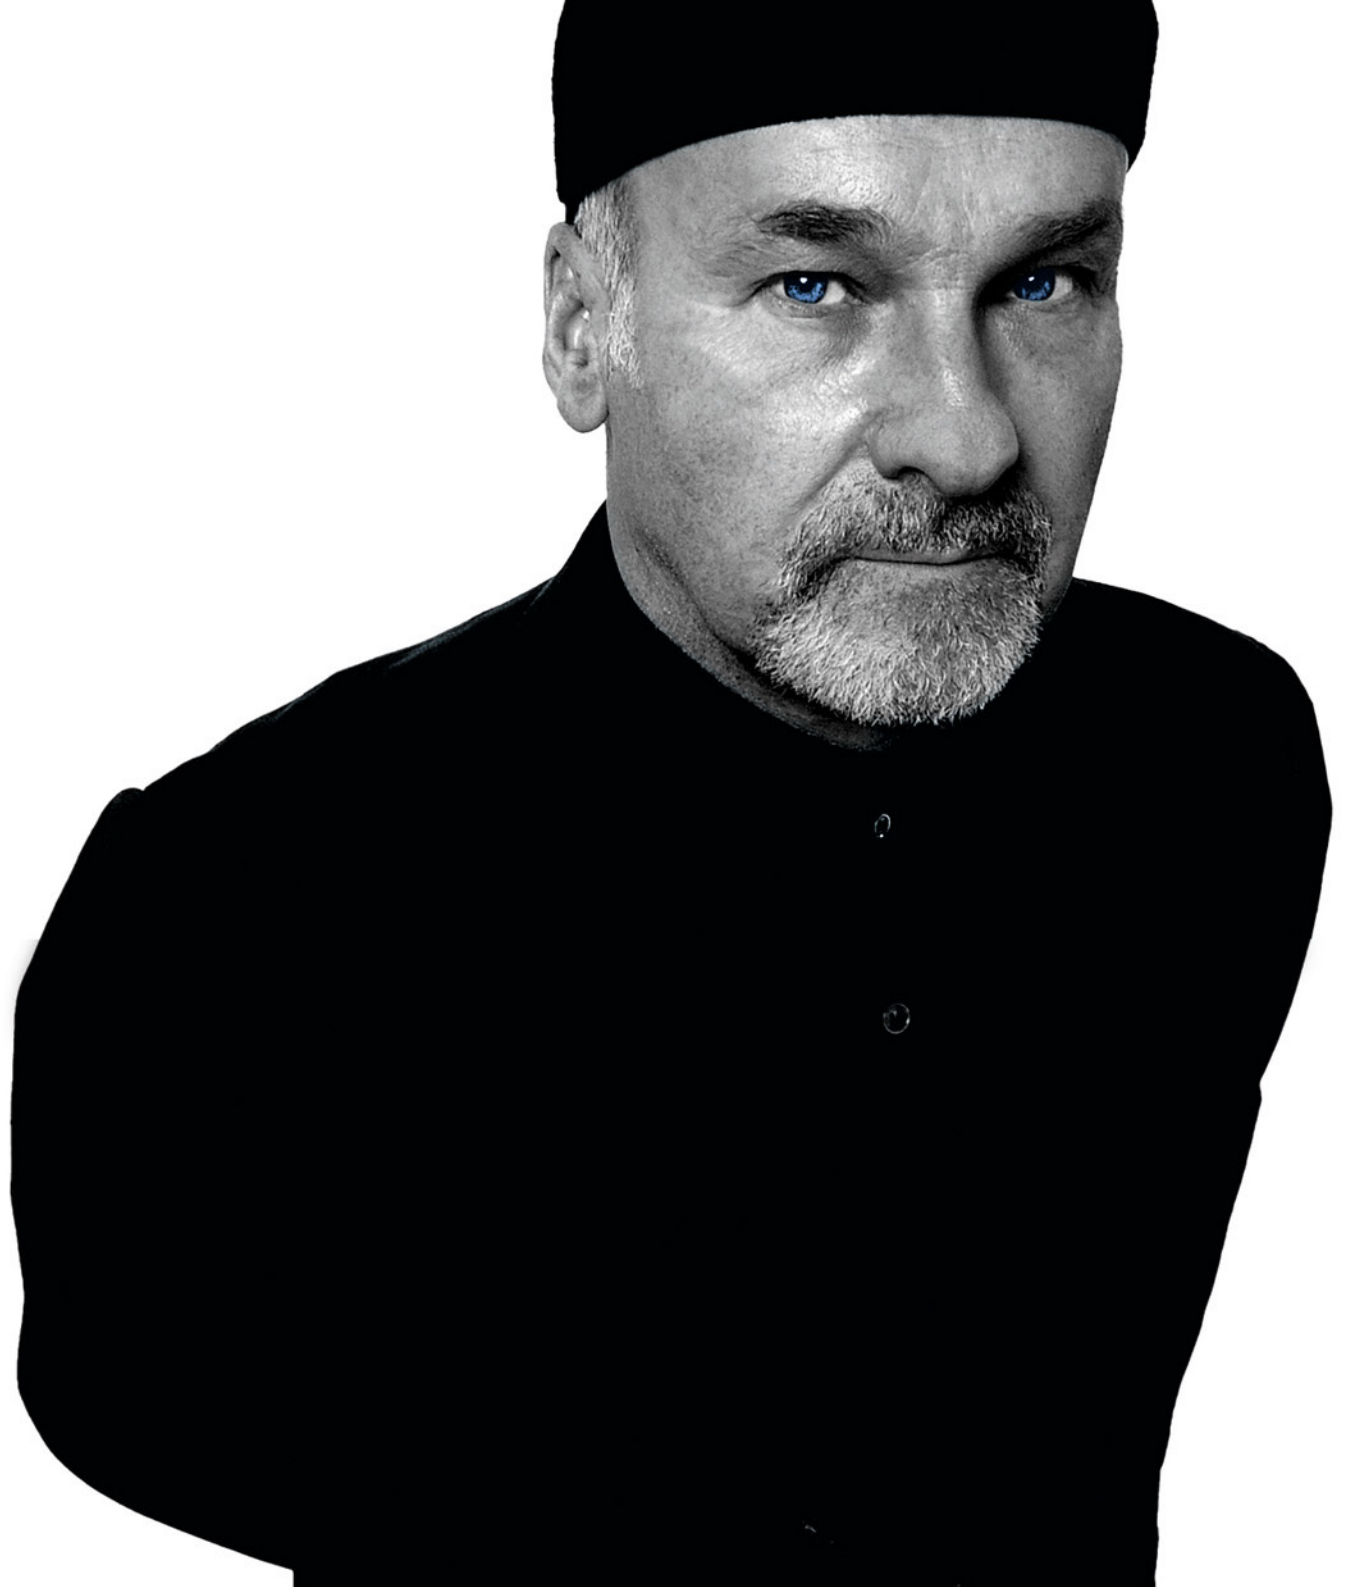

Just for tonight let nothing come between us
I'll be your hero standing by your side
Whatever comes we'll face it all together
Standing in the light
Just for tonight

So much pressure in the world today
Problems everywhere you see
Everybody's busy trying to survive
I cant believe that's how we're meant to be

Politicians from the left and right
Seem to wear a thin disguise
Inspiration is so hard to find
When everything is spin and lies

Just for tonight...

LOVE IS THICKER THAN WATER

Written by Paul Carrack & Chris Difford. Copyright Control / Chris Difford Publishing

Love is thicker than water
Love is thicker than water

Whether I'm right or wrong
I have my feelings switched on
It really matters, that we both belong
I've got my own set of ways
And she doesn't suffer no craze
She likes to keep me, here in my day

And it don't seem
Like much is said
But all my words
Are in my head
And in my heart
Until the end there is you

And love is thicker than water...

It's been a very long time
We've been hung out on the line
We stick together, and make each day shine

The time that has passed is now gone
The tears we have laughed carry on
We're in our own world, it's where we belong

If we were hurt
We'd tell the truth
Our hearts are one
And here's the proof
We raised our kids
To raise the roof with their love
And love is thicker than water..

IF I DIDN'T LOVE YOU

Written by Paul Carrack. Copyright Control

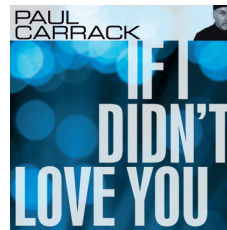

You tell me I'm wrong
And out of line
The feeling has gone
It's left behind
But left upon the stairs
The note I could not write
You walked out of my day
And into the night

If I didn't love you
Would I make you walk from me
If I didn't need you
Would I lose you from my dreams?

It's easy to see
What I have done
I went and played out
From the one I love
And right there in the heat
My fingers all were burnt
The foundations of our love
Were never returned

If I didn't love you
Would I make you lie and weep
If I didn't need you
Would I lose you from my dreams?

If I didn't love you
Would I make you walk from me
If I didn't need you
Would I lose you from my dreams?

WHO AM I ?

Written by Paul Carrack. Copyright Control

Who could believe it could come to this ?
How have we fallen so far ?
It's hard to believe, I could even have dreamed
Just how divided we are

There must be some kind of credence
To the rumours all going around
Was I makin' you feel life was getting too real ?
Was I keeping your feet on the ground ?

You can run away from reality
But you can't hide any more

Who am I
To criticise you and speak my mind ?
Who am I ?
Just another fool you left behind

You created a wall of confusion
And the debris all over the place
Now we've heard all the excuses
It's plain as the nose on your face

If you play with fire you're gonna get burned
If you get too close to the flame

Who am I ?

EYES OF BLUE

Written by Paul Carrack. Published by Plangent Visions Music

I want to know, how does it feel ?
Behind those eyes of blue
You've made some mistakes and now your heart aches
Behind those eyes of blue

People may say you've had your chance
And let it slip away
But hard as they try, there's a dream that won't die
Behind those eyes of blue

Maybe once in a while, there's a trace of a smile
Behind those eyes of blue
But it's painfully clear, there's a river of tears
Behind those eyes of blue

You know life is too short for compromising
Take a hold of your dream and realise it

You know there's nothing left to stand in your way
Except yourself and I know
Though your heart's full of pain, hope still remains
Behind those eyes of blue

AM I IN THAT DREAM ?

Written by Paul Carrack and Chris Difford. Copyright Control / Chris Difford Publishing

You dream of a house
Where you would live
A place we could share
Parties for friends

A house with a garden
Where children can play
You picture this house
And tell me you'll stay

But am I in that dream?

You long for a day
When you can relax
Read a good book
Stretched out on your back

And soak up the sun
While kids ride the waves
I reach out and touch
These beautiful days

But am I in that dream?

Out there in the shade
Two drinks barely touched
Nothing seems as urgent
And nothing seems rushed

There will be a day
All my doubts are hushed
When I stop to pray
All my fears are crushed

But am I in that dream?

Mixed by **Nigel Bates** at Beat Poets Studio, France
Saxes **Steve Beighton**
Flugelhorn **Ed Collins**
All other instruments **Paul Carrack**

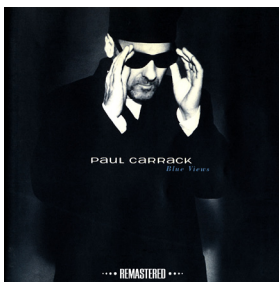

And children will climb
All over our lives
Could this be the potion
That lets our love survive
